March 2009 Update

Spring is in the air! It is beautiful! I truly believe that GOD has heard your prayers and when ARLENE returns home after the cancer surgery next Wednesday, the 25th she will be free of cancer. We truly believe in prayer!

One very difficult thing about cancer is not knowing what is coming. You have been told that the cancer is a fast spreading cancer yet everything takes so long! ARLENE has held up so well and I am so thankful for that. She let go a few days ago and vented some of the emotion she had built up inside. What a cyclone! I had never seen it before. What a tornado! She is so much lighter now! I would love to tell the story but would I really----!!!!.

Speaking of cancer, you owe it to yourself to check out the “Insane Outsider Art” of GEORGE JAGIELLO---It is placed on ebay by his wife, frediw123. Here is a portion of an ebay listing. Please check it out and listen to the emotions of this Great artist! One of the best Outsider Artists I have ever seen!

ONE INSANE IMAGE, MIXED INKS AND PENS, ON 70lb. WHITE VELLUM, TITLED, "SCREECH AND HOWL - THE DREAM MACHINE."

IT IS SIGNED FRONT AND BACK "*GEORGE A. JAGIELLO*" AND IS DATED 2009.

AT THE CENTER IS MY FIRST DREAM MACHINE , THE "VW BUG".

CHECK IT OUT AND SEE HOW IT FEELS. IF YOU LIKE IT, THE BID ON IT, IF YOU DON'T...THEN THANKS FOR LOOKING.

On 7-08-08 I was diagnosed with fatal liver cancer.

09-08 I had a RFA where some of the tumor was burnt out/off to buy me about a year's time.

I applied to the Liver transplant list and was accepted with 22 MELD points.

and because of the cancerous liver and the ablation I was told I'd have 25 MELD points in January,09.

On Sunday 01-04-09, while eating supper I got a cell call to take a shower and be at the hospital in one hour.

The donor liver was in the eleventh hour of it's 12 hour window of use.

I was transplanted 01-04-09, in hospital until 01-10-09 and discharged to my sanctuary, our home.

I got out of bed the day after surgery and stayed out of bed for as much time as possible. I see bed as a place to make love, sleep, rest, if I'm very sick and as a place to die.

I will have to take costly anti-rejection drugs, for the rest of my life, and accept that adjustments to the many meds will have to be made for the next year. I am very grateful esp. my loving, beautiful wife Fredi, my friends, the Liver Transplant Team at the Lahey Clinic in Burlington, Ma. and all who have supported, allowed and assisted us during this painful, but beautiful time/ experience. Fortunately, we do not have a money problem and we have been freely given so much by this Universe.

My image making is more important than ever and I will place pieces on as I am allowed. Thanks for your support!

CHECK IT OUT CLOSELY AND SEE WHAT YOU FEEL.

I am an untrained / untaught painter, image creator/recorder, sculptor, carver of most materials, welder/brazier and have been bringing thoughts into being for more than 60 years.

I am not an "Artist" nor do I desire to be one. What I do anyone and everyone on this planet can do, or learn to do if they if they so choose.

People ask "why I list my pieces as 'insane art' ?"

Insane, because what I draw, paint, or create is what I see in my mind's eye or on the paper, in the water, sand, clouds or even chipped paint.

IT ABSOLUTELY AMAZES ME THAT THESE IMAGES CONTINUE IN A FLOW THAT MAKES SENSE TO ME AND REALLY HELP ME WORK OUT WHATEVER JACKPOT I FIND MYSELF IN. THESE THINGS AREN'T PLANNED, THEY JUST HAPPEN.

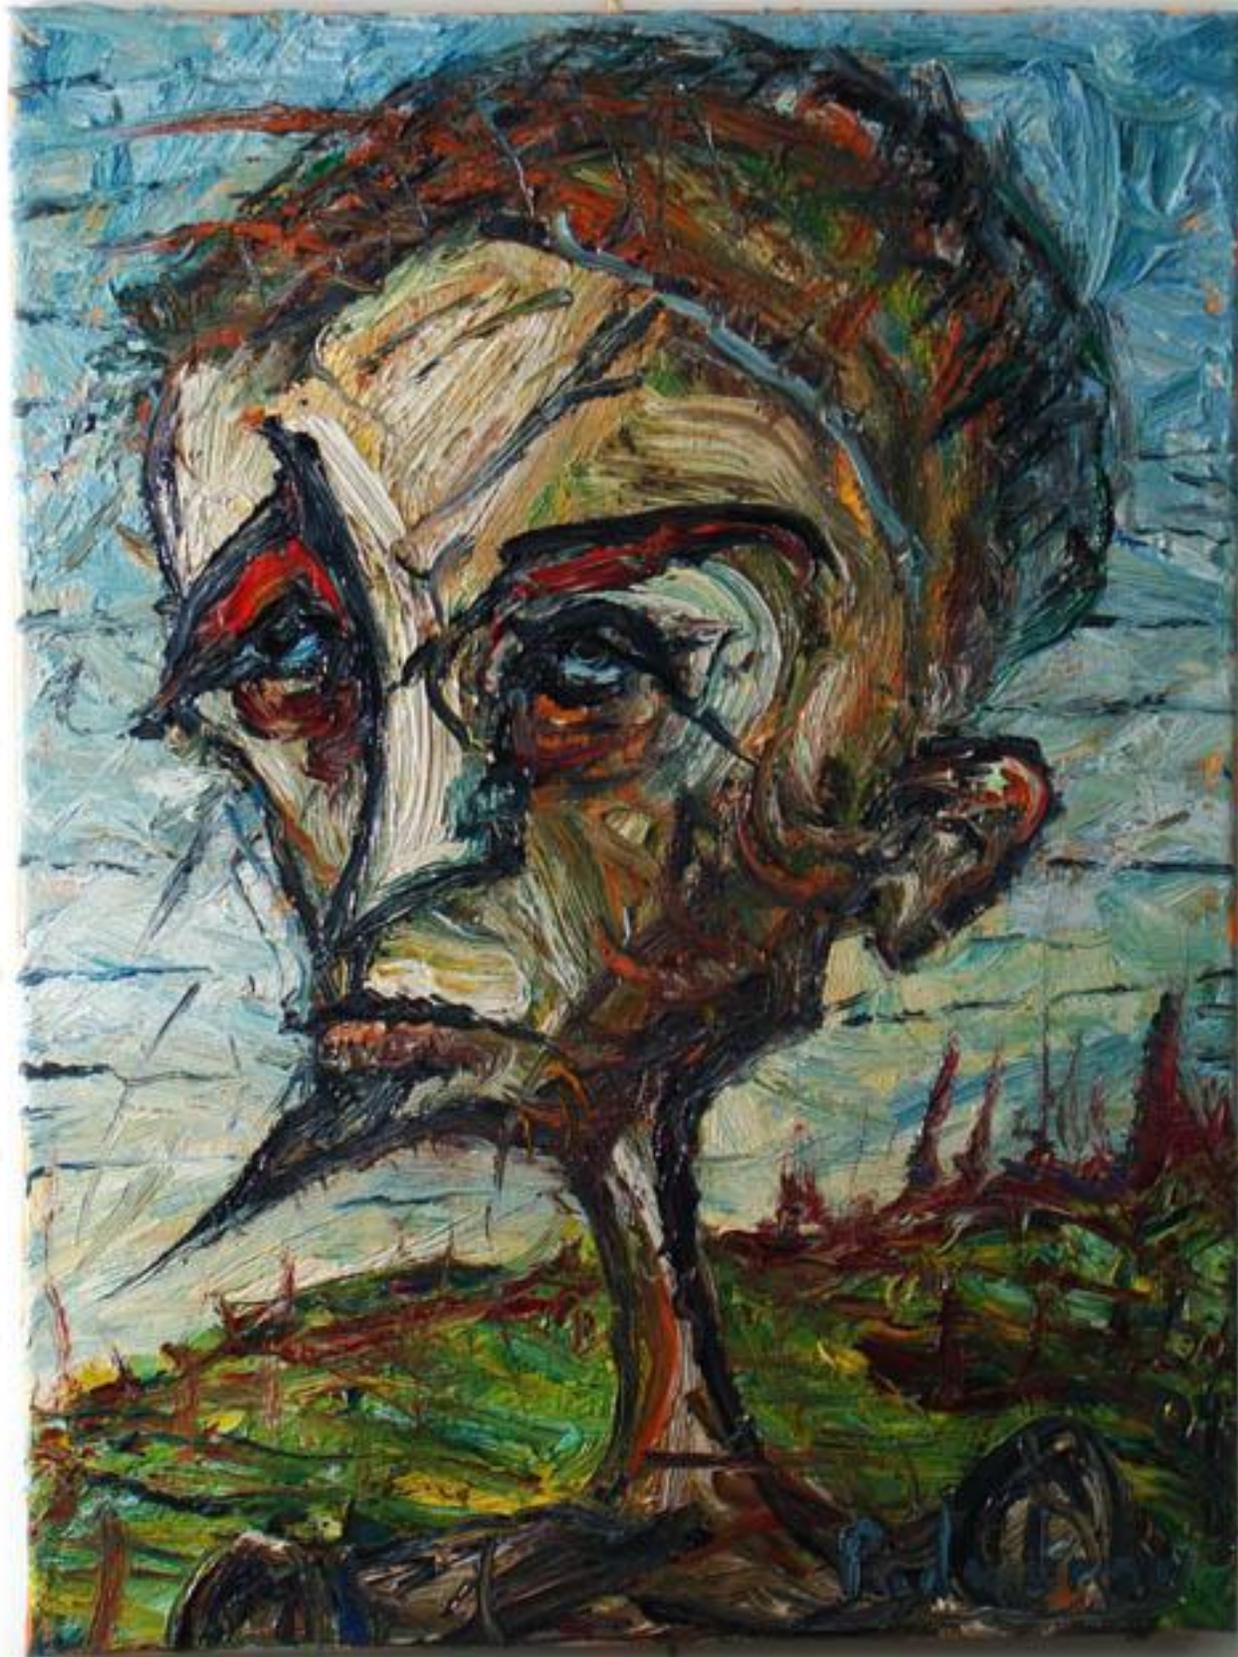

They are crazy/insane picture-thoughts and ideas that I and probably most people, censor, disown or deny. They are not rational and I know it. They are my private glimpses that I choose to share.

THANKS FOR YOUR SUPPORT.

Sincerely, George Jagiello.

THIS ART IS FANTASTICALLY INTERESTING. Check it out in our gallery and please, check it out on ebay!

And now to another artist I enjoy so much---DAVID PADWORN. He just completed a painting that depicts my grandson many of you know, BRANDON. I had to have the painting the minute I saw it. It is NOT for sale.

Ah BRANDON, what a character you are!

WOW, I LIKE THESE LARGER IMAGES!

KELLY MOORE continues his great work in Santa Fe. One of his most recent!

return of the green man ...biggie oily painig

the banks are collapsing
our one eyed kings dont know what to do
folks say the planets end is near
but its not so
humans may not make it
but the planets always gonna be
were just seeing
the return of the *green man*
while the grey men get buried
in the wrong sort of green

Much better in person! This is on unstretched canvas, KELLY has just published a book. Email me for more details.

Tell Steve that ol Roff referred you.

We don't know when we will be back to continually updating our website or opening the gallery on a regular basis. Soon we hope. Please keep checking the website.

Gosh---How could I not remember! SAMMIE is the latest addition to our family. She is being held by her sister LIZZY. They are children of my youngest daughter, Missy. MISSY and JIM have 12 adopted children and one natural child. All are so very beautiful!

Thank you for your continuing prayers for ARLENE!
